PARENT's ... We are happy to partner with you in passing faith in Christ on to your children, however, *your involvement in this ministry is essential for your kids to become lifelong followers of Jesus!*

- What are you willing to do to help with FISH (ex: lead or help in a small group, craft, parties, etc) \_\_\_\_\_
- I think we should do \_\_\_\_\_ as an activity for families at CLC!
- I could use \_\_\_\_\_ from the church to help my family grow in faith.
